Wet wipe for convenient and efficient surface cleaning when water is not available.

Tork No: 190594

Tork Hand Cleaning Wet Wipes

Wet wipe for convenient and efficient hand cleaning when water is not available.

B464667

Polishing

Tork Polishing Cloth

Soft and flexible. Precision fabric holds and releases polishing agents. Professional results without leaving a trace.

Tork No: 197478

*QuickDry™

QuickDry products are stronger and more absorbent than normal paper wipers. Durable for repeated use, they minimise waste and deliver a measurable performance improvement that saves you time.

exelClean™

Tork cleaning cloths with exelCLEAN™ helps you get the cleaning tasks done more efficiently and professionally. The patented foam-spun technology provides a unique structure and superior results compared to rags and rental cloths, while the contamination risk is minimised.

Secondly, we need to identify any key features that are needed to complete the task.

Wiping Paper for Limited Use									
Product	Absorbency	Strength	Solvent/ Detergents	Delicate Surfaces	Oil/ Grease	 QuickDry	Heat Resistant	100% Biodegradable

Tork Low-Lint Cleaning Cloth						 250°C+			
Tork Industrial Low-Lint Cleaning Cloth						 160°C			

QuickDry products are stronger and more absorbent than normal paper wipers. Durable for repeated use, they minimise waste and deliver a measurable performance improvement that saves you time.

Many Tork Cleaning Cloths are produced by combining endless fibres and short cut fibres using a process called hydro-entanglement, giving them a unique quality called exelCLEAN. exelCLEAN is patented endless fibre technology which improves cloth strength and saves you time when cleaning.

Think ahead.
